Parc Teifi sets the scene for a relaxing get-away-from-it-all break

NESTLING ALONGSIDE THE RIVER TEIFI, EACH OF THE PARC TEIFI HOUSES HAVE VIEWS OF THE RIVER, LANDSCAPED GROUNDS AND A BACKDROP OF THE NEARBY PENBANNAU HILLS

The houses are all named after Monks who inhabited the nearby Cistercian Abbey, Strata Florida, where a wealth of local history can be seen with artefacts dating as far back as the Stone Age.

The leisure complex is approached over the picturesque ancient stone bridge after which Pontryfendigaid is named - literally translated into English it means, "Bridge of the Blessed Ford".

The houses are all named after Monks who inhabited the nearby Cistercian Abbey, Strata Florida, where a wealth of local history can be seen with artefacts dating as far back as the Stone Age. Purpose built in 2008 all the living rooms have leather sofas, flat screened TV's with SKY channels and hardwood flooring, with patio doors leading on to the decked garden areas overlooking the river.

If you are taking a break to enjoy walking, cycling, mountain biking, golfing or fishing in the locality, a drying area is available to ensure that everything is kept clean and dry until you next want to use it.

The kitchens are well appointed should you wish to eat in, but there are also several places to dine within walking distance, so leave your car in your designated parking space and relax!

Each of the kitchens has a dishwasher, microwave, built in oven and larder, fridge/freezer and most have their own washing machine and tumble dryer. A laundry room is also available for those who wish to use it.

The houses each have three double or twin bedrooms, and the master bedrooms are all ensuite. Towels are included in the rental but bed linen can be supplied at an additional charge.

All properties have bedrooms and bathrooms on the ground floor, ensuring easy access for those unable to use the stairs. In some properties the ensuite master bedrooms are on the ground floor.

For those wanting to relax after a hard days holidaying, all bathrooms are luxuriously appointed, fully tiled with power showers and several have whirlpool baths.

The Conference and Function area is a purpose built facility which offers businesses that chance to have an "Away Day" and hold meetings, safe in the knowledge that their day will be free from the regular office intrusions. The Function Room is also available for private hire.
